SIX THOUSAND PEOPLE ATTEND PICNIC AT THE COUNTY SEAT.

Crowd at Masonic Celebration Saturday Said to Have Been The Largest in History of Hardinsburg Without Exception.

WAS GREAT SUCCESS IN EVERY RESPECT.

Hardinsburg, Ky., Aug. 8.—(Special.)—Fully six thousand people attended the big Masonic picnic here Saturday. A good many persons estimated the crowd at 8,000, but that is probably too large a figure. Judge Mercer and others said it was the largest number of people ever in Hardinsburg, not even excepting the Centennial crowd of 1893. And it was an orderly crowd, too, not a fight nor an arrest—very creditable for the citizenship of Breckenridge county. Only one accident occurred, and it was not serious. Clint Arms' little boy was run over by a buggy, but Dr. Wm. Milner, who examined him, said no bones were broken. The train service was excellent, and the Masons appreciate the courtesies extended them by the Henderson Route.

The merry-go-round seemed to be the chief attraction and probably a crowd of 1,500 people stood around it all day long. The male race was the next greatest object of interest. It was run at 2:30 o'clock in Taylor Beards' large meadow, and the course was fully three-quarters of a mile long. There were eighteen entries. John Alexander, Jr., of Buras, won the race and was awarded the \$10.00 saddle, given by John P. Hawsell, Sr., late Hart, of McDaniel's, was second in the race. Charles Drury, of Bewleyville, was the judge, and 3,500 people saw the miles run.

In the next race contest, Vio. Robertson carried off the prize, a \$5.00 robe also given by John P. Hawsell, Sr. Fred Hardwick, of Louisville, Rogers Pemberton, of Elizabethtown, and Chas. Drury, of Bewleyville, were the judges.

Mrs. Percy M. Beard won the \$5 silk umbrella for furnishing the best meal. Mrs. Henry B. Beal, of Rosetta, Geo. W. Short, of Cloverport, and Robt. E. Woods, of Louisville, decided this.

Miss Margaret Baker, of Hardinsburg, was voted to be the most popular young lady on the grounds and she received a shaming case lady's gold watch, given by T. C. Lewis & Son.

Mrs. Thomas Gregory, of Garfield, held the lucky number 240, which drew the rubber tire rambler, given by B. F. Beard & Co. Miss Betty Whitman, the little daughter of Hon. D. C. Moorman, was bluffed and drew from the ballot box one ticket. The \$15 iron bedstead, also given by B. F. Beard & Co., was drawn by Miss Alice Baker.

The \$10 gold piece was awarded to Mack Alexander, of Mook, who brought 141 people to the picnic grounds on one wagon. Hawkins

Smith, of Garfield, had 114 on his wagon.

Two features advertised were omitted, one being the parade and the other the kinetoscope pictures. As to the parade, Mr. Hanford was present at the Masonic Temple at 10 o'clock, the time and place advertised, to conduct it, but only about twenty-five masons were there, and several of them being old men, who did not want to march in the dust and heat, the parade was abandoned. The kinetoscope pictures required certain electrical appliances and as there was no person here who understood how to arrange the apparatus, the committee decided not to have the pictures. The committee tried faithfully to have every thing advertised.

Financially the picnic was a big success, and the lodge has decided to give another on the first Saturday in August, 1906.

NOTES.

W. H. Bowmer, of Cloverport, said the dinner was managed admirably, and was one of the best he had ever eaten at a picnic.

Mrs. Thomas H. Withers had a highly prized heirloom on the grounds which she exhibited to many persons, to whom it was an object of interest. It was a velvet Masonic apron, 150 years old, which was painted by her great-grand uncle, who lived in Pennsylvania. It is still in a good state of preservation.

The male race was a great attraction. A large crowd witnessed it. It was close and exciting.

There was an Arm & Hammer brand soda man, who was a splendid speaker. When he used a megaphone he could be heard all over the grounds.

Everybody said it was the most orderly crowd of its size ever seen at a picnic. There were not half a dozen men on the grounds during the entire day who were drinking.

The candidates were all there talking to the dear voters and pushing their claims.

The Hardinsburg Military Band discoursed excellent music for the occasion.

The only complaint heard was of the lack of drinking water. The committee wish to say that it had a contract with a gentleman to furnish all water necessary for every purpose, but the crowd was so immense and it was so hot and dusty, that it was impossible for him to supply the great demand.

Jerry Tilford, conductor on the branch, reports that he brought 1,350 people to the picnic.

Union E. L. B. Y. P. U. Meeting.

A union meeting of the Epworth League and the Baptist Young Peoples' Union, the first since the two organizations were formed, will be held at the Methodist church on Sunday evening, August 27, at 6:45 o'clock. The meeting is expected to be of more than usual interest and will not doubt be largely attended by non-members of the two organizations as well as members.

The union meeting was proposed at the devotional service of the Epworth League at the Methodist church Sunday evening. Lawrence Murray, president of the League, extended the invitation for a union meeting to Mr. Oelze, who was present, and requested him to conduct the service on that occasion. Mr. Oelze accepted the invitation on behalf of himself and the Baptist Young Peoples' Union, and August 27 was the date decided on for the meeting.

FRAIZE-GREGORY WEDDING.

Prominent Young People of Cloverport Married Wednesday.

Mr. Fred W. Fraize and Miss Nellie Gregory, two of Cloverport's most prominent young people, were married last Wednesday afternoon at 5 o'clock in Louisville. The ceremony was performed at The Seelbach by Rev. P. L. King, pastor of the Methodist church, of this city, in the presence of Mr. Frank Warfield, an uncle of Mr. Fraize and cashier of the American National Bank, his sister, Miss Jennie Warfield, Mr. E. N. Hudson, of this city, a brother-in-law of the bride, and Mr. Arthur Board, a friend of the groom.

The engagement of Mr. Fraize and Miss Gregory was known to only a few, and their marriage was a surprise to many of their friends.

Mr. Fraize is the son of Mr. Frank Fraize, the well-known merchant of this city. As an associate with his father in his business here he has been very successful.

Miss Gregory is a daughter of Mr. and Mrs. John D. Gregory and one of Cloverport's most attractive and popular young ladies.

Mr. and Mrs. Fraize left Louisville Wednesday evening at 6 o'clock for Washington, Atlantic City and other Eastern points. They will return about the middle of next week and take up their residence here.

Only A Mark.
Many are not being benefited by the summer vacation as they should be. Now, notwithstanding much outdoor life, they are little if any stronger than they were. The tan on their faces is darker and makes them look healthier, but it is only a mask. They are still nervous, easily tired, upset by trifles, and they do not eat nor sleep well. What they need is what tones the nerves, perfects digestion, creates appetite, and makes sleep refreshing, and it is Hood's Sarsaparilla. Parents and teachers generally will find the chief purpose of the vacation best answered by this great medicine which, as we know, "builds up the whole system."

ARRESTED AS ACCESSORY

But Mrs. Chas. Pate Refuses to Tell About Killing of Thomas.

Mrs. Chas. M. Pate was arrested here last Thursday, as an accessory to the killing of W. O. Thomas, the aged Cannelton stone mason and contractor, at the rock quarry below this city, on Monday, July 31. Her husband, it is alleged, killed Thomas by kicking him in the abdomen with his knee. Mrs. Pate was engaged in an altercation with Thomas at the time of the killing but otherwise had nothing to do with the affair, as far as is known.

Mrs. Pate was arrested Thursday morning by Marshal Dehaven. She was taken to Hawesville and lodged in jail by Deputy Sheriff Kelly, of Hancock county, who came up on train No. 42 and returned on train No. 41, Thursday morning.

A twelve-year-old daughter and an infant of Mrs. Pate was sent to Hawesville Friday morning.

Mrs. Pate refused to tell anything about the tragedy and at her examining trial at Hawesville Friday no information could be gotten from her as to the whereabouts of her husband. She was unable to fill out for her next appearance in court and will be held in jail until the next session of circuit court.

It was reported here yesterday that Pate has been arrested in Ohio county by Sheriff Bannock, of Hancock county.

HAY FEVER FOR 27 YEARS.

Well Known New England Woman Cured of Hay Fever—Cure Was Lasting.

The thousands of discouraged people who dread the approach of summer because they have hay fever and cannot find any relief from it, will read with interest and gratitude the following statement from Helen S. Williams, of Mansfield, Mass.

"For 27 years, from the month of August until heavy frost, I have been afflicted with hay fever, growing worse and worse each year, until of latter years I was unable to attend to my work during that period.

"Last summer I fortunately gave Hyomee a trial, and I am happy to say that it cured my case, and I have had no recurrence of the disease since."

This letter is only one of many that have come to the proprietors of Hyomee, and the results following this treatment—All persons living within the city limits of Cloverport, Ky., are hereby notified to clean up their premises within the next ten days by cutting weeds, grass, etc.

HAIL STORM AT GLENDEANE SUNDAY DAMAGED TOBACCO TO THE EXTENT OF \$15,000.

A severe hail storm swept the Glendean section Sunday afternoon, destroying about 300 acres of tobacco and causing a loss estimated at \$15,000. The storm was destructive also in the New Bethel neighborhood, near Hardinsburg. It seemed to start in at about Thos. Ryan's farm, on the State road, and moved across the farms of J. T. F. Owen, Eli Deane, Jesse Howard and R. G. Robertson, to the railroad near Jolly Station. In some places the hail was so large that tobacco stalks were beaten into the ground. The tobacco crops destroyed were considered the finest in the county. Corn was damaged to some extent.

The heaviest losses in the Glendean section were as follows: Eli Deane & Son, twenty-five acres of tobacco ruined; Jesse Howard, thirty, total loss; Will Pate and put in wheat; J. T. F. Owen, thirty-three, one-half loss;

R. G. Robertson, twenty-five; Sam Beavin, fifteen or twenty; Mike Osborne, cropper; Forrest Miller, seven, ten; Geo. W. Short, ten; Dan O'Connell, fifteen; Frank Ruppert, twenty; Henry Elmore, seven; Late Miller, twenty; Jack and Nelsie Jolly, twenty; Hardee Bell, ten; Dennis Sheeran, fifteen; Mrs. Kate Smith, seven; Thos. Beard, ten; Waller Wilson, four.

At John Seaton's, near New Bethel church, two barns were unroofed, all the trees in the yard were blown down and his tobacco crop ruined.

Jesse Howard lost thirty acres of tobacco valued at \$1,000. Several months ago he lost two barns worth \$1,700 by fire.

HEAD SOLID SORE

Awful Suffering of Baby and Sleepless Nights of Mother.

CURED BY CUTICURA

Skin Fair as a Lily with No Scar to Recall Awful Sore Writes Mother.

"I herewith write out in full the beginning and end of that terrible disease, eczema," says Mrs. Wm. Ryer, Elk River, Minn., "which caused my babe untold suffering and myself many sleepless nights. My babe was born seemingly a fair, healthy child, but when she was three weeks old a swelling appeared on the back of her head, and in course of time broke. It did not heal but grew worse, and the sore spread from the size of a dime to that of a dollar. I used all kinds of remedies the worst kind of ointments, but nothing seemed to help. In fact, it grew worse. Her hair fell out where the sore was, and I feared it would never grow again. It continued until my aged father came on a visit, and when he saw the baby he told me to get Cuticura Soap and Ointment right away.

"To please him I did so, and to my surprise the skin of the sore began to heal over the hair grew over it, and to-day she has a nice head of hair, her skin is as fair as a lily, and she has no scar left to recall that awful sore, and it is over eight months and no sign of its returning."

CURE PERMANENT

"Your letter of the 19th inst. received, asking in regard to the cure of baby eczema some six years ago. Well, the disease has never returned to her head which at that time was a solid sore on top of her head."

Mrs. Wm. RYER, Elk River, Minn. Feb. 25, 1903.

Strange Howard, a life saver, said "I have seen a good many drowning accidents," said an old sea captain, "and I have seen a good many queer rewards. Once a young man rescued a young widow's little son from the sea. The widow, in her gratitude, asked for the young man's photograph. He sent it to her, and two months later he received a magnificent suit of clothing. That showed the scene of the rescue accurately, with the little boy and his mother in perfect likeness, struggling like mad in the water.

"A farmer, one of the Pinkertons told me, came from the west to meet a gold brick man. As the farmer and the swindler crossed on the ferry the swindler fell overboard, and the farmer rescued him. He was so grateful that he gave the farmer a brick of solid silver.

"I saved a pretty girl from drowning in my youth," the captain ended. "She gave me a present that weighed 120 pounds. She gave me herself, and I've still got her. She may not be in as good condition now as she was then, but my eye somewhere she is as sweet and pretty as she ever was." Philadelphia Bulletin.

Why We Wanted a Tenner.

Application was made at half a dozen stores before the man could get one ten dollar bill for his roll of ones. "I don't see," said the man's companion, "why you want all that trouble. You are going to pay the money right over to your tailor. Why didn't you give him the one dollar bills?"

"Because it would make a bad impression," was the reply. "I am broke, but I don't want him to know it. Whenever you get in that fix, put your roll in the largest bills that you can get hold of. It enhances your value in the estimation of tradesmen and saves the way for further credit. A fellow will think a heap more of you if you pay with one five dollar bill than with five ones. A handful of change will indicate that you have had to hustle around pretty pretty to get the money and that there isn't much left where that came from. A man who really has money can afford to pay in pennies if he feels like it, but he who has little can keep up his credit only by using large bills." New York Times.

Hand's Appetite.

Handel was blessed with a wonderful appetite, and many are the amusing accounts, true or otherwise, as to the means taken by his owner for its indulgence. His gastronomic propensities were such that his advisers were three, and in one caricature the composer is represented as sitting on a beer barrel. A ham and a pair of oysters are attached to the end of a fork, a turbot lies upon a pile of books, and the floor of the apartment is strewn with oyster shells. It is surely likely that his advisers have invented and propagated many of the wild stories concerning his eating and drinking powers than that they had any foundation in fact. He would probably order a dinner for three persons for instance, and because it was being kept back for the company to arrive he would be so astonished when "I am de company. Bring up de dinner brassino."

Sniping in Warfare.

The method of sniping in warfare is as follows: Three men set out, two in one direction and one in the other. The single man, who is believed to be in the neighborhood of the enemy, tells of his rifle, no matter in what direction, and thus draws the fire of the enemy. Immediately the two other stalkers fire into the space lit up by the discharge. When this goes on, all around the sniper, the result is constant alarm at night time. Soldiers are warned not to reply to a sniper, but the temptation is well nigh irresistible.
